

# Business Customer Pricelist

This version is dated 1<sup>st</sup> June 2026 and supersedes all previous versions.

## Purpose

This **Business Customer Pricelist** details the standard list prices for **our** business products and services. The standard **rentals** listed below are the **rentals** business customers can expect to pay after the expiry of the **minimum commitment period**. **We** may update this **Business Customer Pricelist** from time to time without providing advanced notice to **you**, and the latest version will be published on **our** website. If **you** are outside of the **minimum commitment period** and a change to this **Business Customer Pricelist** will result in a change to the price we charge you, then **we** will **you** at least thirty (30) days' written notice. Together with the other documents described in Clause 1.2 of the **General Terms and Conditions for Business Customers**, this document forms the **agreement** between the **parties**. Products and services marked as legacy are not available to customers who are not already connected to them.

All prices shown in this **Business Customer Pricelist** are in Great British Pounds and are exclusive of VAT.
